Scotland 2030: Aberdeen and the North East

Friday 25 May, 3pm to 4.30pm, King's College Auditorium, the University of Aberdeen

With an expert panel drawn from politics, business and the arts, and chaired by STV journalist Louise Hosie, this May Festival event will consider the challenges and opportunities facing Aberdeen and the surrounding region. What are the area's cultural strengths and weaknesses? What role could and should it play over the coming decade and a half?

The event is free but booking is required. Please use this link to reserve your place:

Scotland 2030: Work in a Gender Equal Scotland

Tuesday 5 June, 6pm to 7.30pm, the Scottish Parliament

What would Scotland in 2030 look like without a gender pay gap? What would have to change about our lives, both at work and outside? With input based on the PwC "Workforce of the Future" project, the Futures Forum's investigation into Scotland's culture and society in the future continues with a discussion of our working lives in 2030.

Chaired by Gillian Martin MSP.

Autonomous Vehicles: Opportunities for Glasgow

TBC Early July, Glasgow

Are autonomous vehicles the future? How well developed are they already, what is likely to happen next, and how can Glasgow exploit the opportunities they present. Join a panel of experts to discuss the future of self-driving cars and more.

Chaired by Ivan McKee MSP

Further details to follow. Organised in conjunction with Jacobs Ltd.

All events are open to the public but numbers may be limited.
